COLLEGE MEMORIES RENEWED

De Klompen '52

The "Klompen" staff of '52 wishes to dedicate this annual to Dr. Frederick Wezeman, our new president. We are confident that he will uphold the traditions and standards of Northwestern and will help us to become increasingly proud of our alma mater.

A plan has been proposed to erect a new 3-floor classroom building which will be added to the east end of Science Hall. The additional space will make the facilities of the college sufficiently large to accommodate effectively an enrollment of 400 students.

The first floor of the new building will permit the expansion of the present physics laboratory, provide for a conference room, a faculty men's lounge, adequate restroom facilities for men students, three modern classrooms and a large lobby which will allow an impressive entrance from the new campus grounds on the east.

The second floor will contain an enlargement of the present music room, a smaller music classroom, an office for the head of the music department, space for five practice rooms, and two lecture rooms. In addition it will have a kitchen for general use, and also a lounge for faculty women and adequate restroom facilities for women students.

The top floor will permit the expansion of the biology laboratory and will have a seminar room, a lecture room with elevated seats for sixty students, a classroom for advanced chemistry, dark rooms for photography classes, and storage space for the chemistry department.

The Student Senate, governing council of the student body, has been very active this year in promoting the interests of the students. Presiding over the Senate is Miss Dorothy Oldenkamp, and Dean Aalberts is the faculty advisor. Some of the accomplishments of this year's Student Senate are as follows: planning Homecoming, revising the Constitution, enlarging the representation, initiating an Academy student council, assisting the pep band, and inaugurating a very successful noon-hour intramural program. The Senate also has furthered co-operation between students and faculty.

Y. W. C. A.

The Y.W.C.A. meets once every week. We have had many interesting and inspiring meetings under the able leadership of President Darlene De Beer and faculty advisor Miss Marion Hull.

Y. M. C. A.

The Y.M.C.A. meets every Thursday morning at 11:15. This organization is designed to further the Christian principles of the college in the lives of these young men on and off the campus.

Consecration week stands out as the high point of the year. Rev. Redeker was our special speaker and did a superb piece of work in guiding our thinking. The students were offered the invitation for personal conferences with him and many took advantage of the opportunity.

Row 4 - P. Hesselink, N. Menning, Dr. Stegeman, J. Kroon.

The gospel teams are voluntary groups of students who wish to gain experience in the work of the church. Through the guidance of Dr. Stegeman, Ruth Jacobs, and Harold De Weerd each team was organized to go to the churches of this vicinity. Each team consists of a chairman, a devotional leader, three speakers, and one or two special numbers. Anyone with talent and desiring to give their service to the Lord may volunteer. Those with a gift of speaking are urged to deliver a message to the churches of this area. Many of these inspiring words, based on scripture, are repeated in chapel and inspire the students as well as the congregations. Those with a singing talent render special numbers in forms of solos, duets, and quartets. These groups are appreciated and enjoyed by churches visited and are looked forward to by the laymen.

MEMORIES

September of '51 and now we were sophomores! The first event of the year was the Freshmen Mixer. It gave way to the first romance of the year, Jay Van Oort and Ruth Block.

The "sniarbs" (brains spelled backwards) of our class were the cute Mutt and Jeff combination of Herman Harmelink and Phil Hesselink. The feminine brains, Mrs. Mutt and Mrs. Jeff, were Doris Norby and Marie Hoekman. Angeline Vande Brake added her wits to these.

Homecoming this year was really something to remember. Most of us looked forward to the coronation of Her Highness, Queen Amelia Roetman. Homecoming was topped off by the victory our fellows scored for us that nite. Frank Calsbeek had a good season too, no one will ever forget the touchdown he scored.

Most of the fellows soon found their "favorites" (dates that is). There were a few exceptions though. For instance, Wes Kiel and Harlan "Lover Boy" Den Beste stuck by the rules of Dykstra Hall - No Women. We thought Allen Vander Well was just bashful, but when Dykstra Hall didn't change him, we decided it just was his nature to be quiet. Some of the fellows spent their summer's wages on "rocks." Among these were Norm Menning who made frequent trips to Maurice. Lloyd Woelber also had his ideal picked out and spent most of the year applying for a position at Melvin. There were a few like Delmar Westra and Edgar De Vries who spent most of their spare time at Heemstra Hall. Stanley Sorenson was always with them but then he had his reasons.

While time was passing we noticed we had great musical talent in our midst. There was Don Van Leeuwen who has a promising future as another Harry James, even a dentist, or???? Dorothy Oldenkamp and Bob Struyk not only live in the same town but are both headed for the top with those voices. Remember the quartet that made their debut at homecoming? The "Dry Bones Harmonizers" were Ed Boote, Bub Muilenburg, Don Van Leeuwen, and Frank Gunnink. Ruth Jacobs, although quiet, had a beautiful voice. Allen Wolbrink and Phil Hesselink played the organ for our chapel services.

The first thing we knew it was time for semester tests. We were to lose a few familiar faces at this time too. Bill Nienhuis who was the one handsome man from Washington and also John Maynard — (need we say anymore?) finished their work here. Bob Harris and Jim Brinkhuis also left. Bob Freriks left to join his wife in Sioux Center. We gained a few new members. Stan Sorenson came back. Althea Vogelaar got a roommate, Carol Onken. Jan Van Oosvteen came from Canada and Ruby Barth from Japan. It was also at this time that Irene Dykstra got her third roommate for the year.

Some of the members of our student body found exciting ways to spend their evenings. There was Eleanor Landhuis who skated the year away. Then Norma Jean went tobogganing at Rock Valley. Ruth Vande Garde spent her time giving orders and Shirley Mackie carrying them out. By the way we never did get used to seeing Esther Rozendaal without Nona. Juanita Olivier spent her time comparing Northwestern to Iowa State. Carole Grooters and Bub Muilenburg spent their time trying to see who made the most trips to Sioux Center. I wonder who won? Duane Poppen and Lee Kraai had it nice — they only had to travel to the local high school. The De Boer twins spent their time with each other, their car, and a candy bar. Darlene De Beer, Gladys Oldenkamp, and Eunice Schutt kept themselves busy writing letters.

Basketball season was now in full swing. Poor Lenny Vander Hoeven got so tired from driving to those games that in history Prof. Nieuwenhuis would put him to sleep and then wake him up. Inter-murals were quite popular this year. Jeanette Fedders, Sophie Van Drie, and Marge Dykstra wore those shorts not only for the effect but could play basketball too!

The biggest event of the season was the tournaments even though we came out on the short end of the score. Lenny Vander Hoeven gave the people on the bus a few scares by missing some corners. He said it was because of the icy roads but we heard that there were too many girls on the bus. Everyone was holding their breath for fear that Steve Okker, our accordion maestro, would drive his hot rod to Eagle Grove. The last thing we remember of the tournament was Gerard Reinders laughing and Florence Rienstra crying.

As a fitting climax for the basketball season the basketball team choose Frank Calsbeek as Captain, Norm Ketel as most valuable player, and Don Vander Weide as the best all around player. Congratulations, boys!

The next thing on the agenda was the college play. Could there have been another whose character and appearance made a better Abe Lincoln than Martin Dekkenga? Harold De Weerd decided that now was a good time for him to get the mumps — for it was easier than learning his lines. Burlea Korver will never be forgotten for her knack of applying makeup for the play.

The year is now at a close, stop and think for a minute, will you ever forget the banquet, the bonfire, and homecoming, the tournaments? They were fun weren't they? And play practice and choir practice really weren't that tedious, do you think? Yes, our days at Northwestern will long be remembered!

WHAT'S IT LIKE AT HOPE COLLEGE

Students entering Hope College quickly find opportunity among the many college activities for individual participation and wholesome fellowship. They also find, just as quickly, that Hope College places much importance upon scholarship and training in Christian leadership. Permeating the entire Hope College program is the credo of recognizing the individual, and of drawing out from each student the resources that make for mental growth, as well as for character development. Students and faculty are, in effect, a team - with neither being a stranger to the other. The goal is to have the 800 students currently enrolled in Hope College from the majority of states and 11 foreign countries face the future with more than a diploma to show for their college life at Hope.
